

Tell the Story of the Resurrection (with 1 piece of paper and 1 cut!)

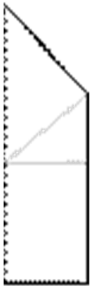

1) Start by folding the paper like you were going to make a paper airplane. Fold the right top corner down. Then fold the left corner down over it.

Now fold in half (length wise).

Fold the two side flaps back (to make "wings").

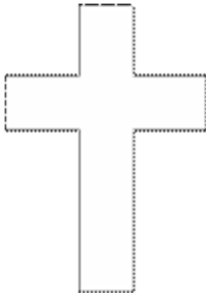

Cut ONCE down the middle. Make only ONE cut!

The pieces stand for following (as you tell the story of the cross):

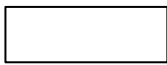

1. **The Cross**

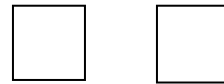

2. **The block that held up the cross**

3. **The sign over the cross,
"Jesus, King of the Jews."**

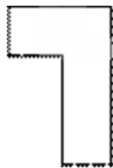

4. **The dice the soldiers used to gamble for His robe.**

5. **The spear that pierced His side.**

6. **Represents the thief who turned away.**

7. **Represents the thief who turned to Jesus.**

8. **Rearrange seven of the small pieces to read the word: LIFE**
